Madam,

E.½ 19-26-13-W. 4th M.

In further reference to your letter of the 11th ultimo to the Agent at Calgary, I beg to advise you that the Department of Militia and Defence are being requested to furnish an official certificate of your brother's death, and on receipt of same the Department will be prepared to take action towards the issue of patent for his homestead the north east quarter of section 19, without calling for the performance of further settlement duties and also for his pre-emption the south east quarter of section 19 on completion of the purchase price.

The usual practice is to issue patent in the name of the deceased entrant, but should it be desired, however, to have patent issued in the name of the legal representative it would be necessary to file with the Department a certified copy of Letters Probate of Will or a certified copy of Letters of Administration and unless probate or administration was taken out in the province of Alberta the copy would have to be resealed in the court of proper jurisdiction for the land.

You will understand, of course, that patent for the pre-emption cannot issue until the payments have been completed. According to our records the amount due in connection with the purchase price of this pre-emption is as follows:

1st instalment $160.00 and interest on same at 5% from the 18-9-15 to the date of payment.

2nd instalment $64.00 and interest on same at 5% from the 18-9-16 to the date of payment.

3rd instalment $64.00 and interest on same at 5% from the 18-9-17 to the date of payment.

4th instalment $64.00 and interest on same at 5% from the 18-9-18 to the date of payment.

Balance of principal $128.00 on which no interest is payable until instalments are due.

-Kindly-

Miss Annie Corbett,

Kindly advise the Department at your earliest convenience as to your intentions in regard to this land.

Madam,

E.½ 19-26-13-W. 4th M.

Referring to my letter of the 26th ultimo I beg to advise you that a certificate of the death while on active service of your brother, Pte. James Joseph Corbett, has now been received from the Militia Authorities. It is noted, however, that whereas the name of the deceased on this certificate is given as "James Joseph Corbett", the signature on the application for entry for the above land is "James Corbett."

There is no reason to doubt the identity of the deceased soldier with the entrant for this land, but it is considered advisable to have this discrepancy in the names cleared up and you are, therefore, requested to execute the enclosed declaration stating whether you are aware that the "James Corbett" who made entry for the above land and the "James Joseph Corbett" killed in action were one and the same person. You might also state the regimental number of your deceased brother.

ENCL.

When forwarding the declaration above referred to you might also advise the Department as to whether it is desired to have patent issue forthwith in the name of the deceased entrant or if it is intended to file Letters Probate or Will or Letters of Administration and have patent issue in the name of the legal representative.

Your obedient servant,

Miss Annie Corbett,

I beg to acknowledge the receipt of your letter of the 9th instant advising the Department that it is the intention to file a certified copy of Letters of Administration with this Department so that patent for the above land may be issued in the name of the legal representative. No further action will be taken in regard to this land for a reasonable period, and in regard to the Letters of Administration it is presumed you are aware that it will be necessary to have the copy re-sealed in the Court of proper jurisdiction for the land and also that patent for the pre-emption, the S.W.¼ of section 19, cannot issue until the land has been paid for in full.

In writing the Department again in regard to this matter will you kindly quote the regimental number of the deceased soldier so that the records of the Department may be completed.

James Corbett, deceased soldier.
Entries granted 18th Sept. 1912.

This entrant enlisted on the 6th January, 1915, and is reported to have died of wounds on the 3rd September, 1918.

The applications for entry are signed, "James Corbett", while the Certificate of Death gives the name as "James Joseph Corbett". However, a sister of the deceased, Miss Annie Corbett, has filed a declaration in regard to the name which would appear to establish identity in this case.

The Seed Grain Branch reports no indebtedness. Nothing has been paid on account of the pre-emption.

Messrs. Peacock and Skene, Barristers of Calgary, Alberta, have filed a certified copy of Letters of Administration in favour of the Trusts and Guarantee Company, Limited, and request the issue of patent in the name of the Administrators.

It is suggested that authority be obtained for the issue of patent for the homestead in the name of the Administrators and also for the pre-emption when the land has been paid for in full.

Re: S.E. 12-26-17-W.4th.

A Certificate of Incumbrance was issued to the Trust and Guarantee Company of Calgary, as Administrators of the estate of the late James J. Corbett. This Certificate expired on the 7th February, 1923, and was renewed to the 1st August last, and there is a balance of $665.80, with interest due to the 1st November last.

This is a case of a deceased soldier settler who died on active service, and the Manager of the Trust and Guarantee Company explained in connection with the last renewal that they were unable to farm the land during 1922 on account of drought, and were, consequently, unable to secure funds to complete the payments. Inspector Livesay in his report of the 14th November states the country is fenced with two wires and will now require new repair work done. No other improvements.

The Manager of the Trust Company wrote the Department on the 8th November last to the effect that they could neither purchase or sell the land, as they were unable to complete payments. They were advised on the 14th ultimo that if they would forward the Certificate of Incumbrance to the Department, the question of completing the purchase or cancelling the entry would be dealt with at once. In view of the fact that the settler has been on the land for a number of years, and in view of the fact that the Inspector reports that the land is fenced with two wires and will require new repair work done, I would suggest that the Department grant the settler an extension of time to the 1st November next to complete payments, ~~and that action for cancellation be withheld~~.

Pre-emption of J.J. Corbett, (deceased,)
Date of entry - 19th September, 1912.

The above settler was a member of the Canadian Expeditionary Force and was reported to have died of wounds received in action on the 3rd September, 1918.

Letters Patent for the appurtenant homestead were issued under authority of Section 23 of the Act and a Certificate of Recommendation was issued in connection with the pre-emption entry to the Trusts and Guarantee Company Limited as administrator of the estate in February, 1922. The Certificate was renewed until the 1st November, 1923, and was returned to the Department in December, 1923.

The amount due with interest to the 1st November, 1924, is $[illegible].

The improvements on the land consist of fencing, valued at $[illegible] only.

Advice was received from the administrator on the 13th November, 1924, that the estate had not produced sufficient revenue to pay the taxes on the land. On the 22nd December, 1924, the administrator advised that there were not sufficient funds in the estate to warrant any payment on the purchase price and that the beneficiaries were being asked if they were in a position to furnish funds to apply on the pre-emption. The administrator's letter of the 11th instant is as follows,-

MEMORANDUM:

Mr. Perrin.

S.E. ¼- 19- 26- 13- W. 4th M.,

The Timber & Grazing Lands Branch on the 16th instant, refer to the report of Inspector of Dominion Lands McArthur regarding the above described land, and ask if this report varies with the former report of the 16th October 1924, and if in view of the nature of the reports the land may be disposed of under the grazing regulations.

On the 18th October 1924, Senior Appraiser of Grazing Lands Cloakey reported on the land stating the nature of the soil as clay, subsoil, clay, area fit for cultivation 80 acres, 80 acres slough and clay flats, improvements two wires willow posts one-half mile on east. In his General Remarks he states:

> "There is no way to collect anything on this quarter here "and if the Trusts and Guarantee Co. cannot pay would "recommend that it be cancelled and made available for "grazing, on account of the dryness of the district."

On the 21st March 1926, Inspector of Dominion Lands McArthur reported on an application for a grazing lease covering this land and stated:

> "There are no improvements on land applied for except ½ mile "2 wire fence, value $16.00, light choc. loam some sloughs, is "in the dry area. Just fair for farming is more suitable "for grazing and would recommend lease to entrant. Unsuitable "for homestead or stock homestead."

In view of these reports, which do not materially vary, and it appears that this land is more suitable for grazing than agriculture and I would suggest that the Timber and Grazing Lands Branch be advised accordingly.

Note attitude of adm. as quoted in memo. 29/3/26 re "Poor location" "Poor district."

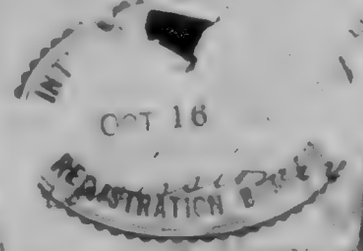
In reply to your memorandum of the 14th instant, I am to advise you that the above land was held as a pre-emption by J.J. Corbett, deceased. The Trusts and Guarantee Company Limited, of Calgary, were the administrators of his estate and they have not made application for refund of the value of the improvements.



There would appear to be no objection to a refund provided there is no seed grain indebtedness and the arrears of taxes are paid.

Gentlemen,

I am directed to inform you in reply to your letter of the 12th ultimo that when the warrant in favour of the late William Van Vaansbergen Hawthorn has been issued, under the provisions of the Volunteer Bounty Act, 1908, and has been received here, the certificate to locate lands thereunder will be issued to the Royal Trust Company alone, as administrator of the estate of and as legal representative in that capacity of the deceased. It is noted that the letters of administration in such case were granted to the Company only, but the latter portion of such letter is somewhat contradictory as to that action. No doubt what was intended to be set out in such letters was that Mr. Hogg as the company's agent had sworn that the company would faithfully administer the estate and account, but you will see that this in not what is stated in the letters. However as the grant of administration was to the company only the request in your letter of the 12th ultimo will of course be complied with.

The warrant has not yet been received here and its issue and transmission to this Department are

As set forth in your memorandum of the 15th March last, letters patent for the land above described were issued while there was still due the sum of $[illegible]99.62 principal together with interest thereon at the rate of 7% per annum from the 25th October, 1910, to the date of payment.

Re S.E.¼ 3-25-9 W.4th M.
Pre-emption - J.A. Lindquist.
Date of entry - 18th April, 1910.

Mr. Lindquist completed the settlement duties and applied for pre-emption patent in July, 1918. The application was approved 12th November, 1920. subject to the completion of payments, and through an error Letters Patent were issued bearing date 25th November, 1920; the error was not discovered until March, 1922.

The Registrar was notified of the error and asked to return the Letters Patent, if possible. The Registrar replied that patent had been registered and title had been issued to Mr. Lindquist.

A caveat was filed through the Agency of the Department of Justice.

The Agent of Dominion Lands at Calgary rendered the following account 11th October, 1928:-

Principal	$399.82.
Interest to 1st November, 1928..	224.36.
Total -	$624.18.

Inspector Stickney while on collection work reported as follows in May, 1929:-

Pre-emptor's address - Calgary.
Improvements on pre-emption -
1½ miles fencing - $60.00.

General Remarks:- "This quarter is fairly level. Fit for homestead. The Linquist has homestead rented. I could make no collection on this account. Recommend "cancellation".

I would appear from the Inspector's report that the pre-emptor has abandoned the land and I would suggest that steps be taken under Section 92 of the Dominion Lands Act for the cancellation of Letters Patent.

Dear Sir,

S. E. 8-25-9 W. 4th M.

On the 23rd March, 1922, this Department requested you to take the necessary action to have a caveat filed against the above quarter section. This was done and a copy of the caveat was sent by your Department under cover of your letter of April 11th, 1922, your reference E. 5106. This caveat is still, I think, in force.

The facts are briefly as follows:- John August Lindquist completed the settlement duties and applied for pre-emption patent on the above land in July, 1918. The application was approved 12th November, 1920, subject to the completion of payments on the pre-emption but through an error Letters Patent were issued bearing date 25th November, 1920, and the error was not discovered until March, 1922.

The local Registrar was notified of the error and asked to return Letters Patent, if possible, but he replied that the patent had been registered and title issued to Lindquist. Thereupon, the caveat, above referred to, was filed by your Agent. Lindquist refused to take any action with regard to paying the amounts due under his contract of purchase.

The principal outstanding is $399.82 and there is interest thereon to the 1st November, 1929, of $224.36 making a total of $624.18.

Homestead Inspector H. E. Stickley of the Calgary Office reports that Lindquist's address is at Calgary.

Would you be good enough to have the necessary action under Section 92 of the Dominion Lands Act taken to have the above patent cancelled. If you require further information I will be pleased to obtain it for you.

.....

Mr. Lindquist completed the settlement duties and applied for patent which received approval on the 12th November, 1920, subject to completion of payments. Through an oversight Letters Patent were issued before the land had been paid for.

When this error was discovered, steps were taken to have the patent cancelled under section 92 of the Dominion Lands Act.

This action has now been carried out and the question now submitted is whether Mr. Lindquist's entry should be allowed to stand or whether such entry should be cancelled in the records here as recommended by the Homestead Inspector in a report dated May, 1929.

If this land was still vested in the Dominion, it would not be in accordance with the practice to carry out cancellation for non-payment without first instituting cancellation proceedings. As this action is not now possible, I would suggest that the entry be allowed to stand and the Provincial Government notified that this quarter section is now at their disposal to be dealt with in any manner seen fit.

Respectfully submitted,

Patent set aside by Order of Court.

I understand that there is no entry to be considered in a case of this kind as the issue of the patent completes the contract, of which the entry was the initial step. If for any reason the patent is afterwards cancelled, there remains no contract with the patentee by reason of the fact that he previously held an entry.

In any event, Mr. John A. Lindquist in his letter received here on the 14th May, 1930, (Ref. #5502585), states distinctly that he will give up the patent and patented land.

The Province might therefore be advised of what has taken place and furnished with a copy of Mr. Lindquist's letter.

I beg to acknowledge the receipt of your letter dated the 14th June, 1930, your reference Z13, and desire to express regret for the fact that the same was unfortunately overlooked until now.

I may now inform you that the patent for the above described land was issued in error, as when such patent was issued it was overlooked that Mr. Lindquist had not paid the purchase price of the land. I think you will agree that under these circumstances Mr. Lindquist was not entitled to patent.

In view of the foregoing, the Department had no option but to arrange to have the patent voided under Section 92 of the Dominion Lands Act, and the necessary steps were accordingly taken with this end in view. On the 12th June, 1930, the Department received advice from the Department of Justice that the Registrar of Land Titles at Calgary, had "cancelled" the patent in question but probably a better term would have been "voided".

Accordingly this quarter section, when the natural resources were transferred to the Province on the 1st of October last, automatically became Provincial land, consequently any further action in connection with the same must be initiated by the proper officer of the Province.

Answer Yes

Answer After my husband went to Canada in 1911, where he went with the intention to eventually obtain a Homestead I remained temporarily in North Dakota, and later on went to stay with my Son at Sykeston, Montana with the intention to meet my husband in Canada, as soon as his means, as well as his health would permit him to provide a habitable house for us to live in. As above stated he has been in poor health a good portion of the time, and when would his means permit him to make such improvements as the law requires. I hope to be able however within the next Sixty or Ninety days to make such improvements as may be required.
